Instructions

Baby Milk Bottle Invitations: Fits in 5x7 inch envelopes. Trim out two party invitations. Hand write in your party details or add your own digital text and personalize them yourself in Adobe PDF Reader.

You cannot edit patterns or colors in your printables. The only thing you will be able to do to our PDF files once purchased is add digital text with the free [Adobe Reader Program](#). Find instructions below

- Open up **Adobe PDF Reader** on your computer
- Select file in the upper left hand corner of the Adobe program
- Select open & when the pop up box opens find your product file and select it and the product pages will open
- Afterwards select **SIGN** in the upper right hand corner of the program and a column will open on the right of page
- Select **ADD TEXT** tab and wait for the small text box to pop up. Select *text size, font, & color* you'd like to use
- Click anywhere on the product pages to begin adding text and your details into your product pages
- After adding text everywhere you'd like on your product pages, you can save the file on your computer in another name so that you don't overwrite the original product file purchased.
- You can then begin printing on your home printer, or save on a flash drive or disk for later printing at a photo lab or copy shop
